

OUR SOLUTIONS

# Logistics

With 50+ years of experience, we secure warehouses, distribution centers and logistic hubs, so your team can focus on business growth, not security vulnerabilities.

LOGISTICS SOLUTIONS

## Connected security from the loading dock to the perimeter.

Fragmented vendors and disconnected systems create gaps. We bring perimeter protection, access control, and digital intelligence together under one roof.

- 1 Security Fence
- 2 Pedestrian Access
- 3 Access Control
- 4 Retractable Bollards
- 5 Traffic Arms
- 6 Guard Booth
- 7 CCTV Cameras
- 8 Automated Gate
- 9 Overhead Doors
- 10 Dock Levelers

AUTOMATED GATES

ACCESS CONTROL

PARKING CONTROL

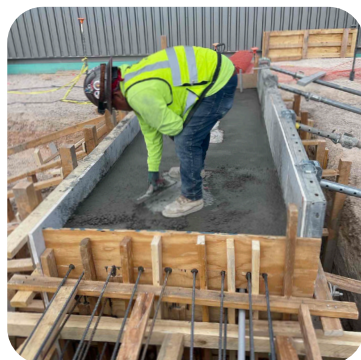

OVERHEAD DOORS

FULL SERVICE PARTNER

# One partner to support your entire security and entry control plan.

One trusted partner for design-assistance, security integration, and lifelong support of all of your equipment.

- ✔ Security assessments
- ✔ 24/7 maintenance support
- ✔ Custom controls package
- ✔ C-TPAT compliance

DESIGN-BUILD

REPAIR

## PHYSICAL INFRASTRUCTURE SECURITY

# We deliver where others fall short.

While others sell standalone security parts, IronSite gives you one unified physical security ecosystem, designed, installed, and supported wherever you need it.

## THE IRONSITE DIFFERENCE

- ✔ National reach + local support
- ✔ 24/7 rapid response
- ✔ Single point of contact
- ✔ Personalized partnership

Trusted by top logistic facilities
